Carboys and Jerricans

Accumax Carboys and Jerricans, meticulously crafted from premium virgin-grade resins to redefine excellence in liquid containment. Designed to surpass your expectations, their superior construction ensures unmatched durability and reliability. These versatile containers cater to a myriad of applications, from storage and mixing to dispensing and transportation of diverse liquids and reagents. Certified leakproof for worry-free transit, they provide a secure shield for your valuable products. Engineered with user convenience in mind, these containers boast ergonomic handles, wide-mouth openings, and a convenient spigot for seamless filling and dispensing.

Available in a range of raw materials and capacities, shapes, and volumes, Accumax Carboys and Jerricans offer a tailored solution for every need. Whether you seek a dependable storage option for sensitive materials or a versatile vessel for mixing and transporting substances, trust in Accumax for unparalleled quality and reliability.

Product Features

Made from US FDA
21 CFR compliant
Raw Material

Individually Laser Printed
graduations with Lot
number marking for
visual determination*

Leakproof PP closure
design with Silicone
gasket

Convenient
Integrated
shoulder Handle
for ease of carrying

Anti-Wobbling Mouth to
prevent splashing of
liquids in Jerricans

Rectangular Jerrycan
for efficient use of
storage space

*Based on customer requirement

Product Features

Round bottom carboys for homogeneous stirring

Stable base and bottoms with curved inner corners for easy cleaning

Threads on bottles and closures have continuous, straight-shouldered semi-buttress threads.

Unique serial number for easy identification based on customer requirement

Variants

Carboys

10, 15, 20, 25 & 50 litres. (With and without Spigot)

Jerricans

10 litres. and 20 litres. (With and without Anti-Wobbling mouth)

Material

PP/HDPE/LDPE with handle
